lala baba

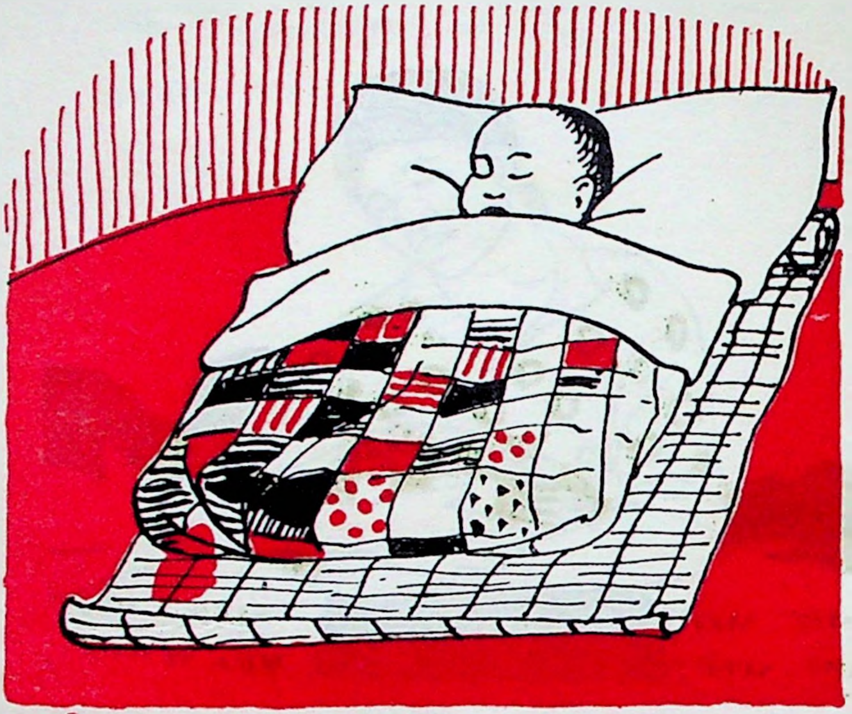
lala baba

lala baba

PHONICS:	lala	la	l	a
	baba	ba	b	a

Teacher's Note: The first five or six lessons should not be taught from the reader but from good illustrated reading sheets, from the blackboard and from flash cards. For details see Teacher's Guide to Oxford Xhosa Readers.

Isifundo 2



Lala baba.
Lala sana.
Lala sana lala baba.
Lala lala lala sana.

PHONICS:	Lala	La	L	a
	sana	sa	s	a
		na	n	a

Note: It is advisable to delay the teaching of phonics until the children are able to recognize several words at sight; but teachers who wish to do so may begin teaching the sounds concurrently with the first reading lessons. Phonics should, however be taught separately from reading.

Isifundo 3

Usana lulele.

Ubaba ulele.

Ulele ubaba.

Lulele usana.

PHONICS:	lulele	lu	l	u	U
		le	l	e	

Word recognition: Do not teach only the reading of the complete sentences, but also the recognition of individual words from the reading sheet, from the blackboard and from flash cards.

As soon as the children can recognize the words of one lesson proceed to the next one. Young children learn to read sentences and to recognize words more quickly than they learn phonics.

Do not keep the brighter children back with the slower ones. Let them progress at their own maximum rate.

Never point at individual syllables, but only at words as wholes. In this way you will avoid syllabic reading.

Isifundo 4

Usana luya lila.
Tutu sana tutu.
Tutu tutu baba.
Tutu baba tutu sana.

PHONICS:	luya	ya	y	Y	a	
	Tutu	Tu	tu	T	t	u
	lila	li	l	l		

Reading Sheets: Use bold lettering that is easy to read, *black* on brown or white paper, *white* or *yellow* on black paper (no other colours). Leave spaces between the words and between the lines, otherwise the reading sheets are quite useless for teaching reading.

Isifundo 5

Luya lila usana Sisi ?
Ewe luya lila usana.
Uya lila ubaba.
Lala sana tutu baba.

PHONICS: Ewe	we	E	w	e
Sisi	Si	S	i	

Writing, Drawing and Modelling: Let the children copy *one* sentence from *each* lesson again and again until they can reproduce it from memory. Let them also draw and model in clay the people and animals they read about.

Isifundo 6

Luya lila usana Mama?
Hayi Nomsa usana lulele.
Ubaba ulele.
Lala sana lala baba.
Tutu baba tutu sana.

PHONICS:	Mama	Ma	ma	M	m	a
	Nomsa	No	N	o		
	Hayi	Ha	H	a		
		yi	y	i		

N.B.—Do not teach the children to *recite* the lessons: teach them to *read* them by training them to recognize individual words. Do not let the children read syllabically: they must recognize words as wholes and read sentences fluently, but not too fast.
