Broken Homes.

Any one coming into contact with the Native people at their homes is being forced to realize the harm that is being done to Native families...

Engel needs and the Colour Bar

An extraordinarily interesting discussion has been in progress at recent meetings of the South African Institute of Engineers...

GENERAL NOTES

There can be no doubt but that the color-bar with all its attendant evils is a great hindrance to the progress of the Native people...

Letter by Quiz No. 100.

The foundation for considering propositions for the color-bar must be the foundation of the color-bar...
