Mr A. C. Hadden  
Cambridge

Dear Sir

Mr T. R. Hadden  
of Johannesburg, Transvaal,  
has written to me to say  
that you are about to do  
South Africa the honour of  
a visit with other members  
of the British Association  
and that you would like  
to be referred to books and  
reports on the South African  
Natives from which you

Can glean information from them in view of a lecture you propose to deliver when you are out here.

I have much pleasure in referring you to a work called the

1. Basutoland Records in three volumes for the years 1850 to 1852, 1852 to 1861, and 1862 to 1868.

2. Report and Proceedings of the Cape Native Affairs Commission of 1881 & 1882.

3. The Report and Proceedings of the South African Inter

Colonial Commission on Native Affairs 1902 to 1905:

4. The Natives of South Africa published in 1901 by the South African Native Races Committee.

5. Natives their Customs, Government, Legends, & Life by the Rev Basahol (a former Missionary in Basutoland) - very good.

6. The Zulus by the Rev Lewis Brent (American Missionary)

7. Zululand by the Rev Gardner (American Missionary)

8. Mackenzie's Compendium of Native Laws &c (Cape)

I might enumerate others  
but the foregoing are the  
most useful & valuable.  
They could be ordered  
through your Stationers &  
the official books could  
no doubt be seen in  
the Department of Secretary  
for the Colonies or the  
Colonial Agents General.

I was one of the  
members of the South Af-  
rican Native Affairs Commission.  
I am Under Secty for Native  
Affairs in Natal.

I need not say it will afford  
me much pleasure to give you  
any further information & to see  
you one in this Colony to see you  
& answer questions.  
I am yours truly S. O. Linnell
