HEADREST: Wooden, a long rectangular pillow supported by three almost cylindrical legs on a base shaped as five linked discs with diamond-shaped links, and with an octagonally-faceted handle rising from one end. There is contrast pokerwork decoration on legs and base.

W: 51.7 cms

Ht: 14.5 cms

(~~SHANGAAN-ZULU~~) Tsonga (AN)

The base looks like Shangaan work, the top like Zulu. It is probably a double headrest.
