VPR

HEADREST: Wooden, the pillow ends and flap lugs with incised decoration on three legs, the two outer ones continuing to an oval base with deep horizontal grooving and concave underside. The horizontal is hollow, bulbous at the two ends which have holes, but no stoppers and was probably a snuff-container. The two outer legs have lozenges carved in shallow relief.

Ht: 15.7 cms

W: 15.5 cms
