

JL - E - 106

HEADREST: Wooden, the three support legs converging into a bun-shaped knob on a four-lobed chamfered base. One of the loop lugs has four "earrings" of animal-tail hair, and there is a circlet of red glass beads below the knob. The pillow ends have deeply incised lines of triangles; there are two pairs of little marks on the pillow centre, and there is some pokerwork contrast.

Ht: 15.8 cms

W: 17.7 cms
