

JL - G - 69

SNUFF-BOXES: Two egg-shaped boxes carved in similar manner to JL-G-67 and 68 but with only one connecting link. There is a band of outer wood or bark round each snuff-box, and the wooden peg stoppers fit so tightly that this may not have been used.

L; (overall) 23.3 cms

L: (of boxes and stoppers and rings)  
10.4, 10 cms

W: 2.8, 2.9 cms

(~~XHOSA~~) Tsonga (AN+RB)

See JL - G - 67 for other comment.
