

JL - G - 83

vm

SNUFF-BOX: Bamboo, cylinder, similar to JL-G-81 and 82, covered with pink and black beads in concentric bands with a band of red beads at each end. The small carrying loop is three strands of green, red, black white and pink beads. The gourd stoppers are attached by bead strings. The beads are strung on sinew.

L: (of cylinder) 7.5 cms
Di: (of cylinder) 2.8 cms
