

JL - L - 2

GOURD VESSEL: A waisted-necked gourd ornamented with blackened swags, figures of warriors, triangles and eight-leaved "windmills". The heads of the three warriors, the two swags, the triangles and "windmills" are ornamented with inset white seed-beads. Two bands of cross-hatching enclose the double row of triangles. On the base are three five-pointed brass studs. No stopper.

Ht; 26.3 cms PTO

Di: 18.6 cms.

(^STHONGA, MOZAMBIQUE) AN/RB.

This seems to be by the same maker as that of JL-L-1 and the same references and comments apply.
