GOURD VESSEL: Sub-spherical gourd ornamented with applied brass and copper wire in the form of triangles and single lengths to suggest floral ornament. The four-centimetre neck opening is roughly chipped as ornament. Dark brown patina. There are three cracks which have been repaired by glueing newsprint inside.

Ht: 6.8 cms

Di: 8.4 cms

(ZULU) N. Nguni (RAN)

The ornament is similar to that of the snuff-boxes JL-G-1 to 15.
