

JL - L - 5

GOURD VESSEL: Vase-shaped gourd, the rim notched, ornamented with applied brass and copperwire in the form of lozenges, to suggest tow flower sprays with two sheaves between. Dark brown patina.

Ht: 17.9 cms

Di: 12.6 cms

(ZULU) N. Nguni for tourist trade
(AN)

This may have come from the same source as JL-L-4. The shape suggests that it was made for the Westerners or tourist market.
