

CAT 743

JL - U - 84

BEADWORK ORNAMENT: A long panel of glass seed-beads, strung as staggered pink lozenges on a mid-blue ground with a central section of mid-blue lozenges on a red ground, picked out with black and white beads. There are skin squares at each end, one of which has eight domed brass buttons secured in two rows by short sticks passed through the loops. The other may have been similarly embellished.
