JL - A - 45

MALE FIGURE: Wooden with pokerwork contrast on hair, eyebrows, beard and fingertips, and white glass bead eyes. The arms and hands are flaxed, with thumbs and fingers spread out; the legs are heavy and the feet have been partly destroyed. The genitalia have been removed. The headring is high and almost like a crown.

Ht: 65 cms

ZULU ? *Kup*

This figure was brought to England in the 1870's; see accompanying sale description for further account.
