

JL - E - 85

HEADREST: Wooden, the pillow supported by an extension of the flap lugs to the bilobal base, with in between, two shallow hoop arches linked by two cylindrical legs. The edges of the two side pieces and the lower ends are decorated with lozenges and zig-zag lines against a recessed background and with diagonally-hatched triangles. There is some pokerwork contrast.

Ht: 14.1 cms

W: 14.6 cms
