

JL - E - 87

✓ PL  
HEADREST: Wooden, slightly eroded, with a grey-bleached patina. The pillow is supported on two shallow arched linked by a transverse hoop, the whole on a bilobal base. The supporting arches are deeply grooved, with rows of lozenges in relief and the transverse hoop is in the same style. The ends of the pillow and the base are carved with recessed triangles.

Ht: 17.4 cms

W: 25.9 cms

(SHANGAAN)

Shoha/Tsonge

There is a stick-on paper label on the surface of the pillow wh  
which I can't decipher - doubt it is in English - at least 19th century
