JL - G - 82

SNUFF-BOX: Bamboo cylinder, similar to JL-G-80, covered with black, green and pink beads in spiral bands separated by a line of white beads. A loop of twisted strands of pink, black, red and white beads enables it to be worn round the neck, and is attached to gourd stoppers. The beads are strund on sinew.

L: (of cylinder) 13.7 cms

Di: (of cylinder) 2.4 cms

(ZULU) N. Ngwini (AN + RB)

cf. JL-G-81 for reference; the green beads support the Zulu attribution.
