BEADWORK: Rectangular panel of blue, turquoise and white beads in a triangles design with red beads as outlines, attached to a leather thong for suspension round waist or neck.

W: 24.5 cms

Ht: 12.5 cms

(NGUNI)

Ornaments made with larger seed-beads such as these tend to be older than those with small beads.

The use of leather makes me feel that this is southern Nguni. Definitely not Zululand-Wakat.
