ATB 53

Although ATB doubts it some say that the Mdlalose are the oldest Zulu sub-clan. S'kona (or perhaps Jama) married Dlalose, daughter of Mpamashe. Her brother, Kuzwayo was the father of Ntsangwana whose son Weli was alive in 1910.

181 Shaka used Ntlaka father of Seketwayo to remove undesirables

1810 Split during war between Seketwayo's people and those of his dead brother
