Editor's Annotated Photocopies of Handwritten Originals From The James Stuart Papers

Digitised by the Five Hundred Year Archive,
a project of the NRF Chair in Archive and Public Culture.

John Wright, one of the editors of the published volumes of *The James Stuart Archive of Recorded Oral Evidence Relating to the History of the Zulu and Neighbouring People* (6 vols.), arranged, used and annotated these photocopies of handwritten originals from the James Stuart papers to prepare the published texts.

The James Stuart papers are in the custody of the Killie Campbell Africana Library.

At this time the Library wishes us to make available online only
the photocopies pertinent to Socwatsha kaPhaphu.

This folder serves as an interim placeholder for photocopies not yet online.
