4 40/26/2-3

oeso prediction speaks: (mpo present) (2) Thy father Levouro ka Nongila, was and Radele (Whili) was of humpohlo reft She belonger to mortepis hut - mretefi was Ishakab wifes but had no child - I am sure of this for my father grequents spoke of it, the host reft placed to carry iniqualo hy father was of mpohlereft placed to carry iniqualo white sticks, rather short also carried one assegain when they went to transport in THE TERRITORY OF HOUTHER CHIEFS. Went to transport went to transport house. He wore Grenbedy or linguotal round neck, arms temy father lived in Britange, He was sent occasionally to Seeler -land as a special messenger.) I remember his being sent to Infrande Jacompanie in as mathearer. The Kings + queens of Jululand und not to Swallow a seed but snipplehow a dropthen out of month on to the floor. after 6) to O of these they world discontinue. The lincoles would then beck them all up, carry them off a Eat them. This same line less before eating Commences, would come wash hands and them come in a cit a little distance, from King holding up his hands, as from an anot daring to truck anything on the five to cut up the meat. When wered to go to he would cut off one lumb, any throw it on one would be for the flatter and of any throw it on one would be feet on to an interest of any throw of it of the thing would be feet on to an interest of any throw of it of the thing would be feet on to an interest from the sound of a cather cheer of the spit out. This was a the Edward of and the strength of the s wooden trong west trong Retil and like both ment off which the king ate, a folial had ment and the other-

probably been, for the been was always taken when als - Say Satardays ke beer would not be downk until Thomony afterment, is in Odays time.
The account too were allowed to wait for 2 mile before being taken. The
SWHEND was fourth as drawn. The SURDS without being Mygora's affair) 1 SPACE My orange appared to hodowing as with begoing the the his camps some distance off son Brills off. Cethways came to peak the some beautiful that there is that the port where is a formation there is the the thing our meet in the port where the peak thing there is the the thing of the hold both and the period words not let him appearant was sent after this incurrent. I and a compared to the formal come forward fire appearant for Myora I. Simple letter of cotage! C. Shorter for Myora J. Simphela (cstay!) Cetherago remained silent.)
