We Khumalo tribe came from the country of the Ngome  
 Under chief Mzilikazi son of Mashobana our Senior  
 Chief, and the minor one being Bheja, Mzilikazi  
 was the son of Mashobana.

The Utungwa tribe went down by the "isilulu" "Grain  
 basket", we rebelled from Basutos, and the Kumbos  
 spoke "HOFE" language.

I grew up in Zululana at Bulawayo, I also know  
 Phakas mother.

ZWIDE'S REGIMENTS. Under Chief Induna
