Ogwetywa ngu Nkwintshana

(NGU NZULU LWAZI)

U Rolumente wo Manyano uyenza yonke imigada neulimo yobulalisa unkwintshana, kuba nje ngomantu, indlela abapete ngayo abantu abantwini, ayibanga nabumowabisa naye ngokwako; uvalo lomxoma imini nobusuka kuba avalo yinto eyosake ingamowabisi umota inganginyisi noma te, yinto eyosake ivute ngokomlilo ati kanti umote lo chileli nje eyetshi! Lanjalo ke unkwintshana.

Imigada ke eyenziwe ngu Rolumente wo Manyano ukuzama ukocima lowomlilo umshisheyo, esitshilo ubuti mshishe, kanti uvalo esinto ilala ngoku isilwazi, ngade umote enze ntoni nantoni lasuka laba yilento imbongi lti:

"Akulali ayavati, Akatyebi uyawuta; Wok' umelmba uyifeta Ngokwe nkhomo enomdlut, Uossiwe ngu nkwintshana, Ungamxwita wentshontshwana."

Ayitshile ngemilomo amelangu ke Rolumente into yobaba agade abe enziwa kukoyika abantu abamnyama ngokubecinezele panti ngolshobho, kodwa olo loyiko lasemfanweni, lobalungisa hanjalo, kuba balwala izizama sabo ukuba zingakhi umntu omnyama solesake wawale, kuba ku-

yabonakala ukuba usa ngokukuleka okokulu umntu omnyama ukaza kati ligana nomata ombhlope. Intshaba yombuso ngokw'yo lwatshile lamazwi, ekumbhlope ukuba ngawoku tutuzela uvulo; kodwa siyazi tina ukuba ututu zala amgwebi ongetsheliso nange ndyobakisi ezinkulu.

Inkohl' etu nti ontsandu sihe za mlawa ngemitya hutsa nje, abizwa pamb' kwe Komiti enyalwayo ka Rolumente, ziyahabuzwa ingqonde ngqonde e Kapa; kuloko inkohl' etu sense sihlwa olesake lwayilento i imbongi yenjenje agayo:

Kwi Komfa ehlanga e Pretoria, oshayo u rulumente sheli enetamba lokuba abanyu lwa bakhe ngayo imini bamozelo ububisi bokumopula esho; beko malyo isuko yongezo kwa amshahla.

Agade umntu abuze ubaba pofu lomntu etshatshaba esenjooje nje kwa kwiziko elibasa kwangonye banina angazophili ngokwako, okanye awucime lomlilo umshisheyo ngaka? Impandulo ingabuyi isili, lonto ayijalo, ayenzeki ngayo luclilela lonto. Umntu onitsheliso ekwenzeni obungendawo, abulula ekuzoza abuye umva esenzweni sike. Lo rulumente okunene ngowobu Krestu, leyo indawa ayina kuphila bani; kodwa injongo sabo ngomzi ontsandu zikude le nobo bu Kristu zizibisa ngabo, ngoko ke idyobwe yobkuboka engeyiba isemgxeni ka Krestu lowo, usama ukuyinyikshyika ayitwela agokwabe, — into eugenkwe nseba ke loyo.

Akwaba umsi ontsandu obuyakuti ke wona kuba burje ungashezi kwilala liba Krestu, usogise buye isikho sawo esinye, ojeogonteto yonkohl' sawo, ngabi nabutshaba nakurulumente wawo, ojongoko iqokelayo i Mtongi isiti: —
