

Sunbury,

Rondebosch,

19th Dec., 1933.

Dear Mr. Mqayi,

I thank you for the lessons on imBeko and Ntsikana. I have not read them yet, being busy with examination papers, but shall do so shortly.

Aggrey's book will be sent as soon as I hear from England whether the present or the new orthography is to be used.

By parcel post I have posted your suit. I had great trouble with Kariem, and wish to have nothing more to do with him. I paid 50/- for the suit and 3/- for postage, and owe you £2 for revising Std. V. and ^{30/-} ~~£5~~ for the lessons ; so a cheque for 17/- is enclosed.

I hope the MS. of V. will arrive soon.

Wishing you a happy Christmas and a good New Year,

Yours sincerely,
