Rev. R. H. W. Shepherd,
Lovedale.

Dear Sir,

Soon after the passing of my late father when I was entrusted with the task of finding out what he has in money, I wrote to you to ask if any royalties accrue to him but I was answered in the negative, but I notice that my mother does get some money from Lovedale periodically. Could I know how much this is and when it was paid out to my step mother Winifred Mghayi & whether it is still being paid out

Thanking you, Sir,

I beg to be, Sir,

Yours obediently

Herbert Zilshoba
