Mfundisi,

I am in receipt of yours of the 6th inst. asking me if your suggestion re full edition of Ityala Lama Wela will meet my wishes.

I thought the press would again go out of its way for my sake, & buy Ityala Lama Wela.

In reply to your question Mfundisi, it will please me very much ~~to~~ to receive a royalty of 4⁰ per copy of the full edition of "Ityala," after its publication in the new orthography.

I wd like to have some little alterations in that edition, and one or two more pictures of chiefs.

In another week's time I was quite well again.

With the season's complements.

Yours faithfully,

S. C. Kume Mphayi
