

Sunbury,

Rondebosch,

14th June, 1937.

My dear Shepherd,

Just a line to accompany the revise of ITyala
lamaWele, which goes by book post.

There is no charge, but if Mr. McNab sends me three or four
copies of the book, they will be well bestowed.

It is very dank and cold here, after the sunshine of the
East.

Yours sincerely,

W. G. Bennie
