Bota Mfundisi!

I wonder if we clearly understand our position as to the booklet "Dr Tubusana."

I have your estimates for 2,000 copies, of course, except the last two Izibongo, which I hope you will soon include them & let me know.

Anyhow, I thought the circular which is my prospectus will soon be out. The book will be sold for 2/6 per copy with or without postage.

I don't know yet if my terms of payment are accepted by the press.

Yours faithfully,

Samuel E. S. Mphahlele
