P. O. BERLIN, C.P.

Dear Sir,

The Animal Welfare Society of S.A. would like to publish a Xhosa School Reader dealing with the care of animals. The manuscript is in English and we have been asked to obtain a price for translating it into Xhosa. If you are able to do this we shall be glad to hear what your charge would be.

The Manuscript is being forwarded under separate cover.

Thanking you in anticipation,

Yours faithfully,
