My dear Bennie,

I wish to thank you very cordially for the revision of ITYALA LAMA WELE. We are deeply indebted to you for this further service. I have asked Mr. McNab to send you several copies when the book is published.

Yours sincerely,

P.S. I had a talk with Mr. Oldjohu this morning and found him very willing to try to give us assistance. I hope soon to give him his first job and will let you know how we get on.
