

21st June, 1938.

My dear Bennie,

Many thanks for your letter concerning Mr. Murray. I am glad to know something about him.

With reference to Mqhayi's Autobiography, Atkinson and I have read the English version and were greatly taken with it. We feel that we ought to publish the Xhosa version but the latter is meantime in Mr. Oldjohn's hands. I expect he will give it attention during the coming vacation. I have little doubt that in due course we shall intimate our willingness to, accept responsibility for it and to come to terms with Mr. Mqhayi.

Yours sincerely,
