E-Ntabezuko,
BERLIN, C. P.

Dear Mr. Mqhayi,

With reference to your letter of 15th re ITYALA LAMA WELIE, we quite understand that publication on the previous terms of a royalty of 4d. per copy will meet your wishes. We shall arrange publication accordingly.

With reference to the photos, we have noted your desire to take out some and add others and we are quite agreeable to these changes being made. We think, however, that you, who are often visiting the chiefs, have a better chance of obtaining the photos than we who are confined to an institution. So kindly do your best to obtain those you desire and send all on to us when obtained.

DON JADU is now ready for printing and we hope it will be published soon.

When your MS. ULWALUKO is complete and you have also obtained the pictures, please send on to us.

Yours faithfully,

DIRECTOR OF PUBLICATIONS.
