Mr. S.E. K. Mqhayi,  
Ntabozuko,  
BERLIN, C.P.

Dear Mr. Mqhayi,

I duly received your letter of 11th instant in answer to your queries:

(1) DON JADU is now passing through the press. We hope it will not be long till it is published. Circumstances have made it necessary for us to concentrate for some time on the large official History of Lovedale but DON JADU will shortly follow.

(2) With reference to ULWALUKO, the matter of the publication of this book is being submitted to our Press Committee at its first meeting. I shall write you as soon as the meeting has been held and a decision reached.

(3) I have placed your kind order for a copy of Lovedale 1841-1941.

Yours sincerely,

DIRECTOR OF PUBLICATIONS
