

24th February, 1936.

Rev. D. J. Darlow,  
Fort Hare,  
Alice.

MY dear Darlow,

With reference to the MS. of DON JADU, Mr. Mqhayi  
has written as follows:

"I never asked the Fort Hare authorities to pass the  
manuscript to you; on the contrary they expressed a wish  
that I should do so, perhaps not knowing how things are.

"So please return same to me, as there is a lot to  
be amended".

Yours sincerely,
