Dear Mr. Shepherd,

I transmitted to Mqayi the suggestions of the Press Committee regarding his MS. biography of Makiwane. He accepts and agrees with them. He also says --what^I/believed to be the case --that Tennyson Makiwane and Mrs. Majombozi, the old minister's eldest daughter have seen the MS; indeed Tennyson wrote passages for it. So, if Mqayi did not write at the request of the family, he wrote with the cordial co-operation of two important members.

With kind regards,

Yours sincerely,
