Dear Mr. Mchayi,

Re Printing Costs of "U-Rubusana"

We have gone into the printing costs of this book and estimate the costs to work out as follows--

1000 copies £60 16/- or about 1/2 $\frac{1}{2}$ per copy.

2000 ,, £79 12/- ,, 9 $\frac{1}{2}$ d. ,,

112 pages. Size of type, page, ^{quality of} paper, etc., the same as "Ityala Lama Wele," School edition.

Prices of paper are rising so we cannot guarantee that these prices will remain in force for more than a month or two.
