Dear Mr. Mqhayi,

re Printing Costs of "U-RUBUSANA"

We have gone into the printing costs of this book and estimate the costs to work out as follows:-

1000 copies	£60. 16/-	or about	1/2½d.	per copy.
2000	"	£79. 12/-	"	9½d. " "

This is for a book of 112 pages and the size of type, page, quality of paper, etc., to be the same as ITYALA LAMA WELE, School Edition.

Prices of paper are rising so we cannot guarantee that these prices will remain in force for more than a month or two.

Yours sincerely,
