Rev. Sir,

I understand that the full edition of "Ityala Lama Wele" is now out of print. I know also, as you told me some time back, that the Lovedale Press will no longer print any books in the old orthography.

I do not want this edition to die away.

On such circumstances, Sir, may I ask you what does the Lovedale Press intend to do? And what would you advise me to do?

Yours faithfully,

Samuel E.K. Mphahlele
