Rev. R.H.W. Shepherd

Dear Sir,

I have not yet given you the poem or poems I spoke about in my last letter to you. I thought I shall have a space of time to speak to you personally when I am there during the D.O.T.T. meetings.

"I hope you got a copy of Zenk Jinkomo," so please take the "Izibongo" of Dr. Tububusana on ^{pages} 356 to 359. This will make the last chapter of the book.

I shall be pleased to correct the proof of the circular soon & to hear or to know the amount, with the poems included.

Yours faithfully,
S. E. N. Prohavi
