3rd November, 1942.

Mr. S. E. R. Mqhayi,
Ntab' Ozuko,
BERLIN, C. P.

Dear Mr. Mqhayi,

I have received your letter dated 31st October, 1942 and note that you wish us to send copies of ITYALA LAMA WELE to various addresses.

I regret however, to have to point out that you now owe us £58. 2. 6 and that your royalties will fall very far short of meeting this account.

In view of the fact that all outstanding accounts must be paid before the audit takes place in January, I regret I must ask you to send cash with all future orders, unless of course you effect a substantial reduction in the amount outstanding.

With all good wishes,

Yours sincerely,

M. H. W. S.
