

4th June, 1938.

Mr. I. Oldjohn,
LOVEDALE.

Dear Mr. Oldjohn,

Mr. Mqhayi has written his autobiography. It is being published in London in English but we have the option of publishing the Xhosa version. I am sending the letter to you and shall be glad if you look over it at your leisure and advise us as to whether it seems suitable for publication. Would its orthography require extensive revision?

Yours sincerely,
