BERLIN, C. P.

Dear Mr. Mqhayi,

I duly received your letter of 22nd November and was sorry to know you were in bed. I trust you are now much better.

Seeing you feel you cannot put the complete edition of of ITYALA LANA WELE into the new orthography, we shall as a press arrange to do so. If we do this and arrange publication on the former terms of a royalty of 4d. per copy, will this meet your wishes?

Yours sincerely,

For THE LOVEDALE PRESS
