Dear Mr. Bennie,

I laid your letter of 20th April regarding Mr. Mqayi's LIFE OF E. MAKIWANE before the Press Committee yesterday. The Committee agrees with your view that the point raised by Mr. Jabavu concerning the Xosa-Fingo feeling should be referred to Mqayi to be considered. Would you please do so and also suggest that the MS be circulated amongst members of the Makiwane family with a view to getting additional matter of interest.

We are returning the MS to you under separate cover.

With kind regards,

Yours sincerely,
