

Rondelrosch,

9th June, 1933.

Dear Mr. Shephard,

Many thanks for getting me the copy of
the Sigidimi for 1883. I have been through it,
but unfortunately that was in the days when
J. F. Jabavu was editor, and he had little interest in
Xosa. The Augustan period of the Sigidimi was 1885-
1887, when Ngqoba edited it. Fortunately I have 1889,
and Ngqayi has lent me 1885.

I have your letter regarding Ngqayi's Life
of Makhivane, & shall write to him and communicate
also the Comtee's views.

With kind regards,

Yours sincerely,

H. G. Bennett

P.S. The Sigidimi goes by the same post as this.
