P. O. BERLIN, C.P.

Dear Mr. Mqayi,

The Animal Welfare Society has agreed to your modest price of £3 for doing the translation of their booklet. The MSS. is to hand, for which our thanks.

With regard to the Ityala Lama Wele photographs these are being posted today, with rough proofs. We cannot send better proofs before we print off.

Another set is enclosed which please return to us with the wording to be printed underneath the photographs, which can be written on the backs.

Thanking you,

Yours faithfully,
