Dear Sir, -

I write to acknowledge receipt of yours of the 10th May, covering two MSS. for translation. And asking for a bound volume of Isigidi for 1885 & others except 1871, 1887 + 1888 which you have.

Excuse me Mkulwa, for writing you in pencil, I have ^{no} pen, notknib, - all finished up, & these must be posted to day. Kungina nganen' apa.

I send you by train, Volumes 1879 (which is all in English and I don't know if you'll be able to understand that language) 1882, 1884 + 1885. four volumes. The translation is also enclosed in these, - and address is simply: Railway Stn. Capetown, I don't know whether this will do very well, I only thought the railage will be cheaper than postage, please inform me if this gave you an unnecessary trouble.

I attended the Show at Fort Hare + I spent a few days in the Dist., I visited nearly all the members of the Louedale Staff, from the Principal downwards. Mr Shepherd read to me a portion of your letter to him about me + my newspaper articles, - this, of course, as in ^{my} this little note you sent me, is pleasing. I don't remember ^{writing} the story of Mbambushe, except about twenty years back when I was

was writing about King Ngqika's Dog of that name,
is that it?

I read an article in "Invo" stating that you
& Prof. Jabavu are to translate part of Ityala Lawa
Wile into English; what this is for I do not know,
yet I thought the author of that booklet ought to
be informed & his permission received. Mr Macnab
also showed me a pamphlet containing some of these
xosa booklets, by Prof. —
