Mr. Bennie Esq.  
Lumbury, Rondebosch.

Dear Sir,

Enclosed please find the list of words which I think some of them were badly spelt, others either awkward or ambiguous in proper Xhosa.

Imi Bengo is very well edited & printed, very carefully corrected, with most instructive as well as educative lessons, - I wonder how could more Xhosa youngsters be made to read it, & read it again.

It seems, in my list, to be a good lot of words corrected, but really there's nothing serious.

We are <sup>very</sup> having good rains this way & the country with its crops looks very bright.

With best wishes,

Yours sincerely,

S. E. Khune Mphayi
