---

The household of Langeni was created in Mswati's reign. Magongo was the brother of Mswati. Magongo was killed by suffocation. Magongo begot Hhamu Myandza, who begot Bhozongo, who begot Lovutha. They came from Shiselweni. They migrated to Hhohho from whence they went to settle at Boyane; from there they came to Mdzimba and established Langeni Village where it is today i.e. at the Mdzimba foothills.

QUESTION A

It is understood that Langeni house is great in the Royal Kingdom - why?

It is because Magongo was great. Since he came out the Shobane who built up the mountain of Mdzimba.
