LEIDEN, Rapenburg met Universiteit

Klikspaanweg 58  
Leiden.

This, 171 August or so, is  
my address. Did you  
send my paper to Brooklyn,  
or where, if you still have it,  
could you send it here? If  
you have an offprint of  
Frank Schweitzer's paper, I would  
like that, as I have not seen the  
STAAB here. Life here beautiful  
I hope all goes well, love to
