I forgot Msweli ka Ngoni and Ncwadi ka Sigavanda who, after Muntumuni's visit to Nkanohla, also went there to say Bamba was in the forest and was being hidden away in the Mome by Sigavanda. Sigavanda thereupon heard they had been to make this statement, whereupon he sent and had Msweli's cattle seized. Ncwadi had no cattle - he being his own son. Msweli's cattle were numerous and were izinkonakazi ezinyama. Msweli followed after them & arrived ~~and~~ after Bamba had come out of the Forest and had effected a junction ~~between~~ ^{with} Sigavanda, Ndube, Impumela & Mbuzo's people who had been ordered by ~~his~~ ^{the} Mr. Saunders to arrest Bamba (and Sigavanda & Ndube were ^{at first} so ordered but ~~the~~ ^{some} people of the others joined without orders & threw in their lot with Bamba). When Msweli got to the Cube people & had come to fetch his stock: They ~~up~~ reproved him with having gone to Saunders to report, adding that Bamba had been sent by Dinuzulu and that Dinuzulu had supplied drugs which made it impossible for the bullets to enter. He, Msweli, thereupon turned rebel & joined them whereupon his cattle were given back to him, one however being killed because the stock had nyatele enkosini (~~Bamba~~ Cetshwayo). Bamba's amadhlengla were erected in the vicinity of Cetshwayo's grave -

It A number of others had their stock seized so as to make them join, this stock was returned on their taking up arms & joining the rebels. Mapulangu and Beje, members of Ndube's tribe, each had their stock seized but killed a huge ox & a cow among Mapulangwe's & ~~one~~ ^{a large} ox among Beje's.
