A spider conducts operations that resemble those
of a weaver, and a bee puts to shame many an
architect in the construction of her cells. But
what distinguishes the worst of architects from
the best of bees is this, that the architect
rares his structures in imagination before
he erects it in reality. I VII: Capitalism

H J Simons, p55 "legitimation by perlocutionary
is part of our colonial heritage. Its direct
ancestry is the Supremacy system, which
concentrated power over tribes in the
garrison and officials acting in her name.
Natal adopted the way in manipulating
a fictitious tribal control to cope with
the tensions of an angry indigenous population.

"You always do what you want to do. This is true with every act. You may say that you had to do something, or that you were forced to, but actually, whatever you do, you do by choice. Only you have the power to choose for yourself." ~ W. Clement Stone

0700 A good intro - Mfome - an unexpected complete
0730 news trying to get TS arrival.
0800 To take up his post in Feb 1896. He was immediately
0830 called into action - use his skills - a detective
0900 from the Zulu by Mpondo to a relative with a
0930 Govt. welcome the new Gov. Mpondo advised
1000 him about the work he does - but had a long
1030 been working with it. Mpondo meets - his
1100 father, who Mpondo had recently read into
1130 Ntsho - with Corick, Mpondo that would
1200 he return. Negotiations with the Zulu is
1230 another name with British TS life & work
1300 he. The system was unexpected, powerful -
1330 along with a heavy, not to be trifled
1400 with. Despite the trouble the
1430 reply into English, and probably that in all
1500 probability dropped it. It
1530 heads his words: the heavy in a
1600 John's words - a road - But
1630 where requires of power. It was
1700 a country freely, run as
1730 was not - to moderate. But
1800 me - my hand to say
1830
1900 before two weeks - after a few
long. Localities

"Beginning today I will take a moment to step off the beaten path and to revel in the mysteries I encounter. I will face challenges placed before me with courage and determination. - 0700 Hate & Rape: Key points from report - but the politics
 0730 is confusing. Mabel Pether res. vicious assault -
 0800 university scandal. Typical UK210 get raped every day
 0830 (extrapolation - numerically true). A feature of Unswish
 0900 Untypical - a stranger; partial support. Victim came
 0930 from a different context - here, the services don't function
 1000 Public meetings: mayhem: safety review: task team only
 * 1030 r a joint submission 3 opp. Wildly naive: report disapproved
 1100 The Review (i) no co-ordinated response - need one
 1130 (ii) response services don't work ^{need them} - this would work
 1200 against perpetrators (iii) student counselling (iv)
 1230 security services ~ way of newly ^{not} ^{critical} ^{shocking}
 1300 ~ A shift in the social environment is needed.
 1330 The breakdown in student representation -
 1400 reformulation of the channels in communication.
 1430 UK210's was about corporate image
 1500 Critical engagement = assault = i.e. Mabel ~~column~~.

"Let people say whatever they like, stick to your convictions and rest assured, the world will be at your feet. They say, 'have faith in this fellow or that fellow', but I say, 'have faith in yourself - all power is in you, be conscious and bring it out'. Say, 'I can do everything!'. Even the poison of a snake is powerless if you can firmly deny it." - Swami Vivekananda
